The visibility of Talk content

Presented by
Steve Wilson

Wednesday 27 January 2021

Venue: Wherever it may be accessed

Commencing at 5:30pm GMT

Talk synopsis

This talk will consider whether someone assigned the Talks Admin role is provided with adequate feedback to alert them to the fact that they are viewing unpublished content, and whether such a view allows them to adequately check that content (including the flyer pdf document and e-mail) before publishing it.

Speaker biography

Steve has been fiddling with the website for longer than he cares to remember but is still learning and is frequently baffled.
